In order for a person to satisfy the Board that he/she/it is qualified to be (or, where applicable, continues to qualify to be) an Eligible Participant, such person shall provide all such information as the Board may request for the purpose of assessing his/her/its eligibility (or continuing eligibility).

- 5.3. Each grant of Options to a Connected Person of the Company or any of his/her/its Associates must be approved by the independent non-executive Directors of the Company (excluding any such independent non-executive Directors who is a proposed Grantee of an Option) and in accordance with the requirements of the Listing Rules.
- 5.4. Any person whom the Board has resolved to be qualified to become an Eligible Participant must remain eligible during the period when any Option granted to him remains outstanding. In determining the Options to be granted to any Grantee, the Board shall consider, including but not limited to, the following matters:

When considering eligibility of, and terms of Grant to the Service Providers under this category, the Board will consider, among other things: (a) the nature, scope and frequency of products and/or services supplied; (b) the reliability and quality of products and/or services supplied; and (c) their potential and/or actual contribution or significance to the financial performance and business development of the Group, evaluated in terms of the revenue generated from such engagement, the expenses in establishing and maintaining collaboration, the contract value and the number or variety of deliverables produced from such engagement for the relevant engagement period (or the corresponding growth rate comparing with that of the preceding period), who are, or anticipated to be going forward, significant suppliers of products or services or business partners, or otherwise significant to the Group's business. Such persons

may be remunerated with equity incentives to align the long-term interests of such persons with the Group. The Board will also consider whether the frequency of the services provided by a Service Provider is akin to that of its regular employees taking into account the following factors:

- (i) the type(s) of services the Service Provider had performed for the Group in the past;
- (ii) the industry experience of the Service Provider;

For the avoidance of doubt, Service Providers exclude placing agents or financial advisers providing advisory services for fundraising, mergers or acquisitions and professional service providers such as auditors or valuers who provide assurance or are required to perform their services with impartiality and objectivity.

- 5.6. Should the Board resolve that a Grantee fails/has failed or otherwise is/has been unable to meet the continuing eligibility criteria under this Scheme as referred to in clauses 5.4 – 5.5, the Company would (subject to Applicable Laws) be entitled to deem any outstanding Option or part thereof, granted to such Grantee and to the extent not already exercised, as lapsed, subject to the requirements of clause 9.

6. GRANT OF OPTIONS

- 6.1. On and subject to the terms of this Scheme, the Board shall be entitled at any time on a Business Day within ten (10) years commencing on the Effective Date of the Scheme to offer the grant of an Option to any Eligible Participant as the Board may in its absolute discretion select in accordance with the eligibility criteria as set out in clause 5 above.

 - (g) subject to clause 6.7, the applicable vesting period;
 - (h) without prejudice to the generality of clause 6.8, such other terms and conditions of the Offer as may be imposed by the Board at its discretion either on a case-by-case basis or generally as are not inconsistent with this Scheme including (without limitation) in the event that the Eligible Participant is a corporation (wherever incorporated or unincorporated), that any change of the management and/or shareholding of the Eligible Participant shall constitute a breach of this Scheme; and
 - (i) a statement requiring the Eligible Participant to undertake to hold the Option on the terms on which it is to be granted (including but not limited to, the minimum period for which an Option must be held) and to be bound by the provisions of this Scheme.
- 6.4. An Offer shall be deemed to have been accepted and an Option to which the Offer relates shall be deemed to have been granted and accepted and to have taken effect when the Company, within twenty-one (21) days from the date on which an Option is offered to an Eligible Participant, receives the duly signed Offer letter from the Grantee together with the number of Shares in respect of which the Offer is accepted clearly stated therein and a non-refundable payment of HK\$1.00 (or such other sum in any currency as the Board may determine) in favour of the Company as consideration for the grant thereof. Once accepted, the Option is granted as from the date on which it was offered to the relevant Eligible Participant.

- 6.5. Unless otherwise stated in the terms of the grant, any Offer of the grant of an Option may be accepted in respect of less than the number of Shares in respect of which it is offered provided that it is accepted in respect of a board lot for dealings in Shares on the Stock Exchange or an integral multiple thereof. To the extent that the Offer of the grant of an Option is not accepted in the manner set out in clause 6.2, it shall be deemed to have been irrevocably declined and lapsed automatically without notice.
- 6.6. The Option Period of an Option may not end later than ten (10) years from the date of Offer of that Option.
- 6.7. The vesting period for all Options shall not be less than twelve (12) months, subject to a shorter vesting period at the discretion of the Board under each of the following circumstances in respect of Employee Participants:

 - (b) grants to a participant whose employment is terminated due to death or disability or occurrence of any out-of-control event;

- 6.8. Subject to the provisions of this Scheme, the Listing Rules and Applicable Laws, the Board may, on a case by case basis and at its discretion when offering the grant of an Option, impose any conditions, restrictions or limitations in relation thereto additional to those expressly set forth in this Scheme as it may think fit (which shall be stated in the letter containing the Offer of the grant of the Option) including (without prejudice to the generality of the foregoing):
- (a) the continuing eligibility of the Grantee under this Scheme, and in particular, where the Board resolves that the Grantee has failed or otherwise is or has been unable to meet such continuing eligibility criteria, the Option (to the extent it has not already been exercised) shall lapse, subject to the requirements of clause 9;
 - (b) the continuing compliance of any such terms and conditions that may be attached to the grant of the Option, failing which the Option (to the extent it has not already been exercised) will lapse unless otherwise resolved to the contrary by the Board, subject to the requirements of clause 9;

- (c) in the event that the Eligible Participant is a corporation (whether incorporated or unincorporated), that any material change of the management and/or shareholding of the Eligible Participant shall constitute a failure to meet the continuing eligibility criteria under this Scheme;
 - (d) in the event that the Eligible Participant is a trust, that any change of the beneficiary of the Eligible Participant shall constitute a failure to meet the continuing eligibility criteria under this Scheme;
 - (e) in the event that the Eligible Participant is a discretionary trust, that any material change of the discretionary objects of the Eligible Participant shall constitute a failure to meet the continuing eligibility criteria under this Scheme;
 - (f) conditions, restrictions or limitations relating to the achievement of operating or financial targets; and
 - (g) if applicable, the satisfactory performance of certain obligations by the Grantee.
- 6.9. Without prejudice to the generality of the foregoing and subject to the Listing Rules and clause 8, the Board may grant Options in respect of which the Subscription Price for the Shares under the Scheme is fixed at different prices for different periods during the applicable Option Period.
- 6.10. The Options held by Grantees are not equal to the Shares and do not confer the rights related to voting, share allotment and dividends.
- 6.11. Notwithstanding that the Grantees shall not have any rights in connection with the Company until the relevant Options have been exercised (either in part or in full), the Company may, in compliance with Applicable Laws, provide to each Grantee during the period for which such Grantee has one or more Options outstanding, copies of financial statements annually.

7. GRANT OF OPTIONS TO CONNECTED PERSONS OR ANY OF THEIR ASSOCIATES

- 7.1. Without prejudice to clause 6, any grant of Options to any Director, Chief Executive or Substantial Shareholder or any their respective Associates must be approved by all of the independent non-executive Directors excluding, for all purposes, any independent non-executive Director who is a proposed Grantee.
- 7.2. Where any grant of Options to an independent non-executive Director or a Substantial Shareholder, or any of their respective Associates, would result in the total number of the Shares issued and to be issued in respect of all options (including the Options) and awards granted to such person under this Scheme and all other share schemes in any 12-month period up to and including the date of such grant representing in aggregate over 0.1% of the Shares in issue, such grant of Options must be approved by the shareholders of the Company in general meeting in the manner set out in Rule 17.04(4) of the Listing

Rules. The Grantee, his Associates and all Core Connected Persons of the Company must abstain from voting in favour at such general meeting. The Company must send a circular to its shareholders containing the information required under the Listing Rules.

- 7.3. For the avoidance of doubt, the requirements of clause 7 for the granting of Options to a Director or Chief Executive of the Company do not apply where the Eligible Person is only a proposed Director or proposed Chief Executive of the Company.

8. SUBSCRIPTION PRICE OF SHARES

- 8.1. The Subscription Price for any Share under this Scheme will be a price determined by the Board at its absolute discretion and notified to each Grantee and will not be less than the highest of:

 - (b) an amount equivalent to the average closing price of the Share as stated in the Stock Exchange's daily quotation sheets for the five (5) Business Days immediately preceding the date of grant of the relevant Option; and
 - (c) the nominal value of a Share on the date of the grant.
- 8.2. In the event the Shares ceased to be listed on the Stock Exchange, the Exercise Price in connection with Options granted to a Grantee shall be determined by the Board in good faith and in a manner consistent with all Applicable Laws including, without limitation, any requirement that consideration be given to (i) the price at which securities of reasonably comparable corporations (if any) in the same industry are being traded, or (ii) if there are no securities of reasonably comparable corporations in the same industry being traded, the earnings history, book value and prospects of the Company in light of market conditions generally.

Any breach of the foregoing by a Grantee shall entitle the Company to cancel, revoke or terminate any Option granted to such Grantee to the extent not already exercised.
- 9.2. Subject to the relevant Exercise Period and the other terms and conditions of the grant, an Option shall be exercised in whole or in part by the Grantee by giving notice in writing to the Company stating that the Option is thereby exercised and the number of Shares in respect of which it is exercised. Each such notice must be accompanied by a

remittance for the full amount of the Exercise Price for the Shares in respect of which the notice is given. Any notice given without such relevant remittance shall be invalid. Within twenty-one (21) Business Days (excluding any period(s) of closure of the Company's share registers) after receipt of the notice together with remittance of the relevant Exercise Price in full and, where appropriate, receipt of the Auditors' certificate or the independent financial adviser's certificate pursuant to clause 12, the Company shall allot the relevant number of Shares to the Grantee credited as fully paid and issue to the Grantee a share certificate in respect of the Shares so allotted.

9.3. Subject to Applicable Laws and as hereinafter provided, an Option may be exercised by the Grantee at any time during the applicable Exercise Period, provided that:

- (a) in the event of death of the Grantee (being an individual) before exercising the Option in full, his or her legal personal representative(s) may exercise the Option up to the Grantee's entitlement (to the extent exercisable as at the date of his/her death and not exercised) within a period of twelve (12) months following his/her death or such longer period as the Board may determine;
- (b) subject to sub-clauses (c) and (d), in the event of the Grantee who is an Employee Participant ceasing to be an Employee Participant for any reason other than his/her death, Disability or the termination of his/her employment on one or more of the grounds specified in clause 10.1(f), the Grantee may exercise the Option (to the extent exercisable as at the date of the relevant event and not exercised) within thirty (30) days following such cessation;
- (c) where the Grantee is an Employee Participant at the time of the grant of the relevant Option(s) and his/her employment or service to the Company is terminated on the ground of Disability, the Grantee may exercise the Option (to the extent exercisable as at the date on which such Grantee ceases to be an Employee Participant) within six (6) months following such cessation or such longer period as the Board may determine;
- (d) where the Grantee is an Employee Participant at the time of the grant of the relevant Option(s), in the event that such Grantee shall cease to be an Employee Participant but becomes, or continues to be, a Related Entity Participant or a Service Provider, then the Option (to the extent exercisable as at the date on which such Grantee ceases to be an Employee Participant and not exercised) shall be exercised within three (3) months following the date of such cessation or such longer period as the Board may determine;
- (e) in the event of the Grantee, who is a Related Entity Participant or a Service Provider but not an Employee Participant, in the event that such Grantee shall cease to be a director or an employee of the Related Entity or cease to be a director, consultant, customer, supplier, agent, business or joint venture partner or adviser of or contractor to the Group for any reason other than his/her death (in the case of a Grantee being an individual) or Disability, then the Option(s) (to the extent exercisable as at the date of such cessation and not exercised) shall be exercised within thirty (30) days following the date of such cessation or such longer period as the Board may determine;

- (f) if a general offer (whether by way of takeover offer or scheme of arrangement or otherwise in like manner) is made to all the holders of Shares (or all such holders other than the offeror and/or any person controlled by the offeror and/ or any person acting in concert with the offeror) and such offer becomes or is declared unconditional (within the meaning of the Hong Kong Code on Takeovers and Mergers), the Grantee shall be entitled to exercise the Option (to the extent exercisable as at the date on which the general offer becomes or is declared unconditional and not exercised) in full or in part at any time within one month after the date on which the offer becomes or is declared unconditional (within the meaning of the Hong Kong Code on Takeovers and Mergers);
- (g) in the event notice is given by the Company to its shareholders to convene a shareholders' meeting for the purpose of considering and, if thought fit, approving a resolution to voluntarily wind up the Company, the Company shall forthwith give notice thereof to the Grantee and the Grantee may, by notice in writing to the Company accompanied by the remittance for the total Subscription Price payable in respect of the exercise of the relevant Option (such notice to be received by the Company not later than two Business Days (excluding any period(s) of closure of the Company's share registers) prior to the proposed meeting) exercise the Option (to the extent exercisable as at the date of the notice to the Grantee and not exercised) either in full or in part and the Company shall, as soon as possible and in any event no later than the Business Day (excluding any period(s) of closure of the Company's share registers) immediately prior to the date of the proposed shareholders' meeting, allot and issue such number of Shares to the Grantee which falls to be issued on such exercise; and
- (h) in the event of a compromise or arrangement between the Company and its members or creditors being proposed in connection with a scheme for the reconstruction or amalgamation of the Company (other than any relocation schemes as contemplated in Rule 7.14(3) of the Listing Rules), the Company shall give notice thereof to all Grantees on the same date as it gives notice of the meeting to its members or creditors to consider such a scheme of arrangement, and thereupon the Grantee may, by notice in writing to the Company accompanied by the remittance for the total Subscription Price payable in respect of the exercise of the relevant Option (such notice to be received by the Company not later than two (2) Business Days (excluding any period(s) of closure of the Company's share registers) prior to the proposed meeting) exercise the Option (to the extent exercisable as at the date of the notice to the Grantee and not exercised) either in full or in part and the Company shall, as soon as possible and in any event no later than the Business Day (excluding any period(s) of closure of the Company's share registers) immediately prior to the date of the proposed meeting, allot and issue such number of Shares to the Grantee which falls to be issued on such exercise credited as fully paid and registered the Grantee as holder thereof.

- 9.4. The Shares to be allotted upon the exercise of an Option shall be subject to all the provisions of the bye-laws of the Company for the time being in force as at the Allotment Date and shall rank pari passu in all respects with the existing fully paid Shares in issue on the Allotment Date and accordingly shall entitle the holder to participate in all dividends or other distributions paid or made after the Allotment Date other than any dividend or other distribution previously declared or recommended or resolved to be paid or made if the record date therefore shall be on or before the Allotment Date. Any Share allotted upon the exercise of an Option shall not carry voting rights until the name of the Grantee has been duly entered into the register of members of the Company as the holder thereof.
- 9.5. Without prejudice to the generality of the foregoing, the Grantee may only exercise an Option subject to any restrictions as may be reasonably imposed by the Board from time to time with a view to ensure or facilitate compliance with any Applicable Laws, mandatory rules and/or regulations binding on the Company, particularly those relating to insider dealing and other prohibitions under the Listing Rules.
- 9.6. Subject to certain restrictions contained in this Scheme, an Option may be exercised in accordance with the terms of this Scheme and the terms of grant thereof at any time during the applicable Option period, which is not more than ten (10) years from the date of grant of Option.
- 9.7. There is no general requirement on the minimum period for which an Option must be held or the performance targets which must be achieved before an Option can be exercised under the terms of this Scheme. However, at the time of granting any Option, the Board may, on a case-by-case basis, make such grant subject to such conditions, restrictions or limitations including (without limitation) those in relation to the minimum period of the Options to be held and/or the performance targets to be achieved as the Board may determine in its absolute discretion.

10. LAPSE OF OPTION

- 10.1. An Option (to the extent such Option has not already been exercised) shall lapse and not be exercisable on the earliest of:

11. MAXIMUM NUMBER OF SHARES AVAILABLE FOR SUBSCRIPTION

- 11.1. Subject to clause 11.5, the maximum number of Shares which may be issued in respect of all options and awards to be granted under the Scheme and any other share schemes shall not, in aggregate, exceed 10% of the Shares in issue as at the Adoption Date (the “**Scheme Mandate Limit**”).
- 11.2. Subject to clause 11.1 above, the maximum number of Shares which may be issued in respect of all options and awards to be granted under the Scheme and any other share schemes to Service Providers must not, in aggregate exceed 1% of the number of Shares in issue as at the Adoption Date (the “**Service Provider Sub-limit**”). For the avoidance of doubt, the Service Provider Sub-limit is a sub-limit within and subject to the Scheme Mandate Limit.
- 11.3. No Option may be granted under this Scheme if the grant of such Option will result in the limit referred to in clause 11.1 being exceeded. Options lapsed in accordance with the terms of the Scheme will not be regarded as utilised for the purpose of calculating the Scheme Mandate Limit and the Service Provider Sub-limit.

- 11.4. The Board may seek separate Shareholders' approval in general meeting to grant Options beyond the Scheme Mandate Limit provided that the Options in excess of the Scheme Mandate Limit are granted only to the Eligible Participants specified by the Company before such approval is sought and the Company must issue a circular to the Shareholders containing such relevant information from time to time required by the Listing Rules in relation to any such proposed grant to such Eligible Participants.
- 11.5. The Company may seek approval by the Shareholders in general meeting for refreshing the Overall Scheme Limit and the Service Provider Sub-limit after three (3) years from the date of the first Shareholders' approval for such limits or for the last refreshment (as the case may be). Any refreshment within any three-year period must be approved by the Shareholders subject to the following provisions:
- (a) any controlling shareholders and their associates (or if there is no controlling shareholder, Directors (excluding independent non-executive Directors) and the chief executive of the Company and their respective associates) must abstain from voting in favour of the relevant resolution at the general meeting; and
 - (b) the Company must also comply with the requirements under rules 13.39(6) and (7), 13.40, 13.41 and 13.42 of the Listing Rules.

The requirements set out in (a) and (b) above do not apply if the refreshment is made immediately after an issue of securities by the Company to the Shareholders on a pro rata basis as set out in rule 13.36(2)(a) of the Listing Rules such that the unused part of the scheme mandate (as a percentage of the relevant class of Shares in issue) upon refreshment is the same as the unused part of the scheme mandate immediately before the issue of securities, rounded to the nearest whole share.

- 11.6. The total number of new Shares that may underlie the options and awards granted under all the share schemes following the date of approval of the refreshed Scheme Mandate Limit or Service Provider Sub-limit (as the case may be) (the "**New Approval Date**") must not exceed 10% of the number of Shares in issue as of the New Approval Date. The Shares that underlie the options and awards granted under all the Company's share schemes (including those outstanding, cancelled or vested) prior to the New Approval Date will not be counted for the purpose of determining, in the preceding sentence, the maximum aggregate number of Shares granted following the New Approval Date.
- 11.7. The maximum number of Shares issued or to be issued in respect of all options and awards granted to a Grantee at any one time or in aggregate under the Scheme and all other share schemes (excluding any options and awards lapsed in accordance with the terms of the respective share schemes) in any 12-month period up to and including the date of such relevant grant should not exceed 1% of the issued share capital of the Company (the "**Individual Limit**"). Where any Grant to a Grantee may result in exceeding the Individual Limit, the Company shall not grant such Options unless it is separately approved by the Shareholders in general meeting, with such Grantee and his close associates (or Associates if the Grantee is a Connected Person) abstaining from voting.

11.8. The maximum number of Shares referred to in clause 11 shall be adjusted, in such manner as the Auditors or the independent financial adviser of the Company shall certify as fair and reasonable in accordance with clause 12.

12. REORGANISATION OF CAPITAL STRUCTURE

12.1. In the event of any alteration in the capital structure of the Company whilst any Option remains exercisable or this Scheme remains in effect, and such event arises from a capitalisation issue, rights issue, consolidation or sub-division of the Shares, or reduction of the share capital of the Company, then, in any such case the Company shall instruct the independent financial adviser appointed by the Company or the Auditors to certify in writing the adjustment, if any, that ought in their opinion fairly and reasonably to be made either generally or as regards any particular Grantee, to:

- (a) the number or nominal amount of Shares to which this Scheme relates;
- (b) the Exercise Price of any Option; and/or
- (c) (insofar as it is/they are unexercised, unless the relevant Grantee elects to waive such adjustment) the number of Shares comprised in an Option or which remains comprised in an Option, and an adjustment as so certified by the independent financial adviser or the Auditors shall be made, provided that:
 - (i) any such adjustment shall give the Grantee the same proportion of the issued share capital of the Company as that to which he was previously entitled rounded to the nearest whole share;
 - (ii) no such adjustment shall be made the effect of which would be to enable a Share to be issued at less than its nominal value (if any);
 - (iii) the issue of Shares or other securities of the Group as consideration in a transaction shall not be regarded as a circumstance requiring any such adjustment; and
 - (iv) any such adjustment shall be in compliance with the Listing Rules and such applicable rules, codes, guidance notes and/or interpretation of the Listing Rules from time to time promulgated by the Stock Exchange.

In respect of any adjustment referred to in this clause 12.1, other than any adjustment made on a capitalisation issue, the independent financial adviser or the Auditors must confirm to the Board in writing that the adjustments satisfy the requirements of the relevant provisions of the Listing Rules.

12.2. In giving any certificate under this clause 12, the independent financial adviser or Auditors appointed under clause 12.1 shall be deemed to be acting as experts and not as arbitrators and their certificate shall, in the absence of manifest error, be final, conclusive and binding on the Company and all persons who may be affected thereby.

- 12.3. If the Company conducts a share consolidation or subdivision after the Scheme Mandate Limit and/or the Service Provider Sub-limit have been approved in general meeting, the maximum number of Shares that may be issued in respect of all options and awards to be granted under all of the schemes of the Company under the Scheme Mandate Limit or the Service Provider Sub-limit as a percentage of the total number of issued Shares at the date immediately before and after such consolidation or subdivision shall be the same, rounded to the nearest whole share.

13. SHARE CAPITAL

- 13.1. The exercise of any Option shall be subject to the members of the Company in a general meeting approving any necessary increase in the share capital of the Company. Subject thereto the Board shall make available sufficient authorised but unissued share capital of the Company to meet subsisting requirements on the exercise of Options.

14. DISPUTES

- 14.1. Any dispute arising in connection with this Scheme (whether as to the number of Shares, the subject of an Option, (where applicable) whether all or part of the Option has been vested, the amount of the Exercise Price or otherwise) shall be referred to the decision of the Auditors or the independent financial adviser of the Company who shall act as experts and not as arbitrators and whose decision shall be final and binding on the Grantee.

15. ALTERATION OF THIS SCHEME

- 15.1. This Scheme may be altered in any respect by a resolution of the Board except that those specific provisions relating to matters contained in Chapter 17 of the Listing Rules (or any other relevant provisions of the Listing Rules from time to time applicable) which cannot be altered to the advantage of Grantees or prospective Grantees except with the prior approval of the Shareholders in general meeting.
- 15.2. Any alteration to the terms and conditions of this Scheme which is of a material nature must be approved by the Shareholders in general meeting, except where the alterations take effect automatically under the existing terms of this Scheme.
- 15.3. Any change to the authority of the Board in relation to any alteration to the terms of this Scheme must first be approved by the Shareholders in general meeting.
- 15.4. The amended terms of this Scheme must continue to comply with the relevant provisions of the Listing Rules as may be amended from time to time.
- 15.5. Subject to this clause 15, the Board may at any time alter, amend or modify the terms and conditions of this Scheme such that the provisions of this Scheme would comply with all relevant legal and regulatory requirements in all relevant jurisdictions to the extent as considered necessary by the Board to implement the terms of this Scheme.

- 15.6. Any change to the terms of Options granted must be approved by the Board, the remuneration committee, the independent non-executive Director and/or the Shareholders if the initial Options were approved by the Board, the remuneration committee, the independent non-executive Director and/or the Shareholders (as the case may be). The foregoing requirement does not apply where the alterations take effect automatically under the existing terms of the Scheme. For the avoidance of doubt, each of the Scheme Mandate Limit and the Service Provider Sub-limit can be refreshed, which is subject to prior approval from the Shareholders as specified in the provisions of this Scheme above.
- 15.7. Without limiting the generality of the foregoing, any adjustment to be made to the exercise price of, and/or the number of shares subject to, and any options to be granted under, this Scheme will comply with Chapter 17 of the Listing Rules and all guidance/interpretation of the Listing Rules issued by the Stock Exchange from time to time.

16. DEALING RESTRICTIONS

- 16.1. The Board shall not grant any Options after inside information has come to its knowledge until (and including) the trading day after it has announced the information. In particular, the Board shall not grant any Options during the period commencing one month immediately preceding the earlier of:

- 16.4. A Director must not deal in any securities of the Company (and no Options may be granted to a Director) on any day on which its financial results are published and:

- (a) during the period of 60 days immediately preceding the publication date of the annual results or, if shorter, the period from the end of the relevant financial year up to the publication date of the results; and
- (b) during the period of 30 days immediately preceding the publication date of the quarterly results (if any) and half-year results or, if shorter, the period from the end of the relevant quarterly or half-year period up to the publication date of the results, unless the circumstances are exceptional, for example, where a pressing financial commitment has to be met as described in section C of the Model Code. In any event, the director must comply with the procedure in rules B.8 and B.9 of the Model Code.

17. TERMINATION

- 17.1. The Company by resolution in general meeting or the Board may at any time terminate the operation of this Scheme and in such event no further Options will be offered but the provisions of this Scheme shall remain in force in all other respects to the extent necessary to give effect to the exercise of the Options (to the extent not already exercised) granted prior to the termination.
- 17.2. Options complying with the provisions of the Listing Rules which are granted during the life of the Scheme and remain unexpired immediately prior to the termination of the operation of the Scheme shall continue to be valid and exercisable in accordance with their terms of issue after the termination of the Scheme.

18. CANCELLATION

- 18.1. Any Options granted but not exercised may be cancelled by the Board and such cancellation is recommended by the remuneration committee of the Company. Any Options granted but subsequently renounced by the Grantee may be cancelled by the Board.

- 18.3. Where the Company cancels Options and issue new Options to the same Grantee, the issue of such new Option may only be made with available but unissued Shares in the authorised share capital of the Company, and available ungranted Options (excluding for this purpose all the cancelled Options) within the limits referred to in clause 11.
